

Director's Report

February 2023

To Donna Christie and the Board,

I have been working on the annual report, my fondest hope is Donna, and I can submit it soon.

Ellenville Chamber of Commerce reported 2523 mobile clicks on our website and 1035 human clicks for January.

Our attendance is picking up. When it gets warm, it will be even better.

Day to day work at the Library is good.

Thank You,

Nancy
