

Director's Report

June

To Donna Christie and the Board,

June 18 will start sign up for summer reading. Hollis Witherspoon is going to help with crafts and would like to read stories to the younger group. The young adults will have a book club. I want them to pick their own books, but they must get them from our Library or inter-loan them thru RCLS.

Sara Woster (from the Sigunick house) has written a book, and has given us the first signed copy. It officially comes out July 19 so I have it under wraps until then. Sara would also like to do a reading. I thought we could do the first one on Fancy Flea day inside the Library.

We have 2 jeeps for the July 4th parade.

Day to day business is good.

Thank you,

Nancy
