

Director's Report

October 2022

To Donna Christie and the Board,

Beat's Evans Family opening had a good attendance, and on Saturday, we had about 20 of the Evans Family come to see it. They were very pleased.

Even though it was a cloudy and rainy looking day, we had 10 for our Mushroom Walk. Four signed up and paid but did not show up. Luke did a very nice presentation.

We had 1001 human clicks and 1432 Mobile and Directory searches on our Chamber of Commerce site for September.

Day to day work is good.

Thank you, Nancy
