

Director's Report August 2022

To Donna Christie and the Board,

The Library has been busy for the last few weeks. The number of people in the Library is up and our events have been numerous.

I have Fancy Flea ready to roll come rain or shine. If forecast isn't good, we'll go with inside. I don't seem to have too many crafters this year, but have a lot of books so it will work out.

I have given out a few new Library cards, which is a plus.

Responses from the public about our events and the Library in general have been positive.

Day to day work is good.

Thank you,
Nancy
