

Director's Report

September 2022

To Donna Christie and the Board,

24 adults and 2 children attended Sara Woster's book reading and signing. Donna said it was great.

Beat's "Evans Family" art show, in our back room, opens September 24. Joanne Bierschenk is thrilled.

We have a Medicare Zoom and the Mushroom walk on October 1 to start our fall events.

Grace will attend our meeting this month.

Day to day work in the Library is good.

Thank you,
Nancy Krom
